If the surfing conditions are not suitable, we will provide an alternative afternoon activity. This activity might be watching a surf film, a half day excursion, a coastal walk, mini-golf or the student might opt for free time to relax.

Our weekend excursions are: Eden Project, Truro City visit, mountain biking, Camel Cycle Trail/Padstow, Surf trip, Tintagel Castle, St. Ives including Tate Gallery or Lanhydrock House.

Course price includes English classes, surfing tuition and equipment, transport to and from activities/excursions, half-board host family accommodation, weekend excursion and any entrance fees.
